

Error on some early Novice 37 2007 Sheets

Arena 20m x 60m
Approximate time 5 ½ minutes

Dear Dressage Rider

There has been a number of early Novice 37 2007 test sheets (pre January) that had an error in it.

It is movements 6&7, the text was right but the movement was drawn wrong. I have found out today, that some riders have ridden the movement wrong and have lost marks. Even though the text and movement was different, some riders did not pick it up.

If you have a novice 37 2007 laminated with diagrams, please can you check and either change it with a marker pen or cut out and stick the correct movements on it or if you would like a free replacement then please contact me directly. With your details, when and where you purchased it from and a brief description of the error and I will send you a replacement.
