Dear Andrew,

Thank you for posting me the advanced I.G.P. tests -- my cheque is enclosed.

Please find below, as requested, my testimonial. I hope it helps you! :

Andrew Weedon's well-designed drainage tests with diagrams is a fast & easy way to learn tests from Prelim to Grand Prix. For me learning visual patterns helps me to recall movements more quickly. Readers/callers (unfamiliar with drainage arena markers) find these tests easier to follow. They're a rip-proof, water-proof super learning tool! Sharnel

Have a happy, healthy 2005!

Kind regards

P.S. please use Sharnel as the testimonial name. TKX.
